2. SERVICE DESCRIPTION

The Provider agrees to deliver a professional mix and master for twelve (12) tracks as part of the Client's full album project. This service includes:

- Full professional mix for each of the 12 tracks — surgical treatment of all stems, vocals, and production elements.
- High-fidelity master for each track — consistent loudness, clarity, and tonal character across the full album.
- Streaming-optimized delivery for all major platforms including Spotify and Apple Music.
- 3-song block delivery structure — tracks are submitted, mixed, mastered, and approved in four sequential blocks of 3 songs each.
- Revision rounds included per block — details outlined in Section 4.

3. FILE SUBMISSION REQUIREMENTS

The Client agrees to deliver files for each block meeting the following standards:

- Format: 24-bit WAV files minimum. No MP3 submissions accepted.
- Effects: All stems exported dry — no reverb, delay, pitch correction, or effects applied prior to submission.
- Labelling: Each stem clearly labelled. Each song organized into its own folder labelled with track number and title.
- Sync: All stems within each session exported at the same length and sample rate.

- Submission: Each block of 3 songs submitted via Google Drive or WeTransfer to Mxstermxndsbeats@gmail.com.

The turnaround clock for each block begins upon confirmed receipt of that block's compliant, complete file package.

4. DELIVERABLES, BLOCK STRUCTURE & TURNAROUND

- The album is worked through in four (4) sequential blocks of three (3) songs each.
- Each block will receive a full mix and master. First draft per block delivered within 7 business days of receiving compliant files for that block.
- Delivery format per track: Stereo WAV mix file and a separate mastered WAV, full resolution.
- Three (3) rounds of revisions included per block. Revision requests must be submitted in writing within 7 days of delivery of each block.
- The next block begins once the current block is approved and, for installment clients, the corresponding payment is confirmed.
- Additional revisions beyond three rounds per block may be subject to a fee, communicated in advance.

5. PAYMENT & INSTALLMENT TERMS

Full payment is due at the time of purchase unless an installment plan has been agreed upon in advance. For installment clients:

- Each installment payment unlocks the corresponding 3-song block for production.
- Work on the next block will not begin until the payment for that block is received and confirmed.
- If an installment payment is not received within 14 days of its scheduled due date, the Provider reserves the right to pause all work until payment is secured.
- Final, full-quality files for each block are released upon confirmation of that block's payment.
- Partial completion of the payment schedule does not entitle the Client to a partial refund on blocks already delivered.

6. REFUND POLICY

- Full refund available if the Client cancels before submitting any files and before work has begun on any track.
- Once the first draft of Block 1 is delivered, payment applied to that block is non-refundable.
- For installment clients, payments made for blocks already delivered are non-refundable at the time of cancellation.
- Any remaining unpaid installments are voided upon written cancellation, provided no work has begun on the corresponding block.

- Refund and cancellation requests must be submitted in writing to Mxstermxndsbeats@gmail.com.

7. INTELLECTUAL PROPERTY

The Client retains full ownership of all original recordings and underlying compositions. The Provider acquires no ownership or licensing rights through this mixing and mastering service.

The Provider may reference completed work as a portfolio or reel example unless the Client requests otherwise in writing prior to delivery.

8. CLIENT RESPONSIBILITIES

The Client warrants that all submitted audio is legally owned or licensed and does not infringe upon third-party intellectual property rights. The Provider accepts no liability for copyright disputes arising from submitted material.

The Client is responsible for submitting compliant files for each block and providing timely revision feedback. Delayed feedback or late payments may affect the overall album completion timeline.

9. LIMITATION OF LIABILITY

The Provider's liability is limited to the service fee paid for blocks already delivered. The Provider is not liable for lost revenue, missed release dates, or any indirect damages arising from this service or its delivery timeline.

10. GOVERNING LAW

This Agreement shall be governed by applicable law. Disputes shall first be addressed through good-faith negotiation before either party pursues formal legal remedy.
