- Unlimited WAV and MP3 leases — the Member may lease any beat from the current Mxster Mxnds Productions catalog during the membership term, with no per-beat fee.
- Five (5) stem requests per calendar month — the Member may request the individual stem elements (e.g., Melody, 808, Drums, FX) from any beat in the catalog, up to 5 requests per month.
- Immediate file delivery upon request — beats and stems are delivered via email upon written request.

3. LEASE TERMS & USAGE RIGHTS

All leases obtained through The Vault membership are governed by the standard Mxster Mxnds Productions Non-Exclusive Lease Terms, which include:

- Non-exclusive use — beats leased through The Vault are non-exclusive and may be simultaneously leased to other artists.
- Distribution limit: Up to 500,000 streams and 10,000 digital downloads per track, per lease, unless a higher-tier license is separately purchased.
- The Member may use leased beats for monetized streaming, digital distribution, non-profit performances, and music videos, subject to the stream and download limits above.
- Leases obtained through The Vault do not grant ownership, co-writing credit, or exclusive rights to any beat.

- Radio play, sync licensing (TV, film, ads), and ringtone rights are not included under standard lease terms and require a separate agreement.

The Member agrees to credit Mxster Mxnds Productions (prod. Mxster Mxnd) on all releases using beats leased through this membership.

4. STEM REQUEST TERMS

- The Member receives five (5) stem requests per calendar month. Requests reset on the 1st of each calendar month.
- Unused stem requests do not carry over to the following month.
- Stem requests are fulfilled within 48 hours of written request via email.
- Stems are provided for use in the Member's personal mixing and production sessions for tracks recorded under this membership. Stems may not be resold, redistributed, or licensed to third parties.

5. MEMBERSHIP DURATION & RENEWAL

- This membership is active for twelve (12) calendar months from the confirmed start date.
- The membership does not auto-renew. The Member will be notified prior to expiration with renewal options.
- Leases obtained during the active membership term remain valid after the membership expires, subject to the usage limits in Section 3.
- No new leases may be obtained after the membership expiration date without renewal or a separate purchase.

6. PAYMENT

Full membership payment is due at the time of purchase. The Vault membership fee is a single annual payment covering the full 12-month term. No monthly billing or recurring charges apply.

7. REFUND POLICY

- Full refund available if the Member has not yet used any leases or stem requests and cancels within 7 days of purchase.
- Once the Member has requested and received any beat lease or stem files, the membership payment is non-refundable, as catalog access has been activated and files have been delivered.
- Refund requests must be submitted in writing to Mxstermxndsbeats@gmail.com.

8. CATALOG ACCESS & AVAILABILITY

The Vault grants access to the Mxster Mxnds Productions catalog as it exists at the time of each lease request. The Provider reserves the right to add, remove, or retire beats from the catalog at

any time. Beats already leased by the Member prior to removal remain valid under their existing lease terms.

9. INTELLECTUAL PROPERTY

All beats in the Mxster Mxnds Productions catalog remain the exclusive intellectual property of the Provider. The Member acquires a non-exclusive license to use leased beats as outlined in Section 3. No ownership, co-production rights, or publishing rights are transferred through this membership.

10. MEMBER RESPONSIBILITIES

The Member agrees not to sublicense, resell, or transfer any leases or stem files obtained through this membership to any third party. Violation of this clause constitutes a material breach of this agreement and may result in immediate membership termination without refund.

The Member is responsible for tracking their monthly stem request usage. The Provider is not obligated to notify the Member when their monthly stem limit has been reached.

11. LIMITATION OF LIABILITY

The Provider's liability is limited to the annual membership fee paid. The Provider is not liable for lost revenue, missed release dates, or indirect damages arising from catalog changes, file delivery delays, or membership termination due to breach.
