Music Mixing, Engineering & Vocal Production Services

PRO STUDIO MIX + VOCAL TUNING — SERVICE AGREEMENT

1. PARTIES

This Agreement is entered into between:

Service Provider: Mxster Mxnds Productions LTD ("Provider")

Contact: +1 (601) 651-7869 | Mxstermxndsbeats@gmail.com | mxstermxndsprods.store

Client ("Artist"): _____ {{Full Name}}

Email: _____ {{Email}}

Track Title: _____

Approx. Stem Count: _____

Date: _____ {{Date}}

2. SERVICE DESCRIPTION

The Provider agrees to deliver a full Pro Studio Mix with Vocal Tuning for a single track submitted by the Client. This is the Provider's highest-tier mixing service and includes:

- Manual Vocal Tuning using Melodyne and/or Auto-Tune — note-by-note pitch correction applied to all lead vocals, harmonies, ad-libs, and doubles per the Client's stylistic direction.
- Unlimited Stems — no cap on session size. All submitted stems will be processed and mixed.
- Complex Arrangement Assistance — layers organized, prioritized, and mixed into a cohesive commercial sound.
- Advanced Analog Modeling and Saturation — applied to introduce warmth, character, and depth consistent with major-label production standards.
- Five (5) rounds of revisions included at no additional charge.

3. FILE SUBMISSION REQUIREMENTS

The Client agrees to deliver files meeting the following standards:

- Format: 24-bit WAV files minimum. No MP3 submissions accepted.
- Effects: All stems exported dry — no reverb, delay, pitch correction, or creative effects applied prior to submission.
- Stem Count: Unlimited for this tier. All stems must be clearly and individually labelled.
- Sync: All stems exported at the same length and sample rate as the full track.

- Vocal Tuning Instructions: The Client must specify the track key and preferred tuning style (natural/transparent or stylized/hard) at the time of submission.
- Rough Mix (Strongly Recommended): A pre-mix reference to communicate the Client's original sonic vision.
- Reference Track (Strongly Recommended): A commercial artist or song representing the target sonic direction.

Files must be delivered via Google Drive or WeTransfer to Mxstermxndsbeats@gmail.com, organized in a clearly labelled folder. The 5 to 7 business day turnaround begins upon confirmed receipt of a compliant, complete file package.

4. DELIVERABLES & TURNAROUND

- First mix delivered within 5 to 7 business days of receiving a compliant, complete file package.
- Delivery format: Stereo WAV mix file, full resolution.
- Five (5) rounds of revisions included. Revision requests must be submitted in writing via email reply after each delivery.
- Additional revisions beyond five rounds may be subject to a fee, communicated to the Client in advance.

5. PAYMENT

Full payment is due at the time of purchase, prior to file submission. The agreed service fee is confirmed at checkout and is binding for the scope outlined in this agreement. Given the unlimited stem scope of this service, no additional fees will be charged based on stem count.

6. REFUND POLICY

- Full refund available if the Client cancels before submitting files and before any work has begun.
- Once the first mix draft is delivered, payment is non-refundable, as it covers engineering time, manual vocal tuning, complex processing, and revisions.
- Refund requests must be submitted in writing to Mxstermxndsbeats@gmail.com.

7. VOCAL TUNING ACKNOWLEDGEMENT

The Client acknowledges that manual vocal tuning (via Melodyne or Auto-Tune) will be applied to submitted vocal performances. The Client agrees to provide clear tuning direction at the time of file submission, including:

- The musical key of the track.
- Preferred tuning style: transparent/natural or stylized/hard-tune.
- Any specific vocal moments or phrases that should not be corrected.

Failure to provide tuning direction will result in the Provider applying their professional judgment. Tuning preference changes after the first delivery will be addressed within the revision rounds.

8. INTELLECTUAL PROPERTY

The Client retains full ownership of the original recording and all underlying compositions. The Provider acquires no ownership or licensing rights to the music through this mixing or vocal production service.

The Provider may reference the mixed work as a portfolio or reel example unless the Client requests otherwise in writing prior to delivery.

9. CLIENT RESPONSIBILITIES

The Client warrants that all submitted audio is legally owned or licensed and does not infringe upon third-party intellectual property rights. The Provider accepts no liability for copyright disputes arising from submitted material.

The Client is responsible for submitting a complete, compliant file package as outlined in Section 3. Incomplete or non-compliant submissions may result in delayed turnaround or a request to resubmit before work begins.

10. LIMITATION OF LIABILITY

The Provider's liability is limited to the service fee paid. The Provider is not liable for lost revenue, missed release deadlines, or any indirect damages arising from this service or its delivery timeline.

11. GOVERNING LAW

This Agreement shall be governed by applicable law. Disputes shall first be addressed through good-faith negotiation before either party pursues formal legal remedy.

12. AGREEMENT & SIGNATURES

By signing below, both parties confirm they have read, understood, and agreed to the terms of this Service Agreement.
