2. SERVICE DESCRIPTION

The Provider agrees to deliver a complete Pro Single Bundle for one (1) track submitted by the Client. This is the Provider's top-tier single-song service and includes:

- Surgical Mix — deep, precise engineering of all submitted stems with advanced frequency shaping, dynamic control, and full production integration.
- High-fidelity Master — streaming-optimized loudness and clarity built cohesively on top of the surgical mix.
- Manual Vocal Pitch Correction via Melodyne and/or Auto-Tune — note-by-note correction applied to all vocal performances per the Client's stated stylistic preference.
- Five (5) rounds of revisions included at no additional charge, covering both mix and master stages.

3. FILE SUBMISSION REQUIREMENTS

The Client agrees to deliver files meeting the following standards:

- Format: 24-bit WAV files minimum. No MP3 submissions accepted.
- Effects: All stems exported completely dry — no reverb, delay, pitch correction, saturation, or effects applied prior to submission.
- Labelling: Every stem clearly and individually labelled (e.g., Lead Vox, Double, Hook, Ad-Libs, 808, Kick, Snare, Melody).
- Sync: All stems exported at the same length and sample rate as the full track.

- Tuning Preference: The Client must confirm their vocal tuning preference (Natural/Transparent or Stylized/Hard-Tune) and the track key at the time of submission.
- Reference Track (Strongly Recommended): One commercially released song representing the target sonic direction.

Files must be delivered via Google Drive or WeTransfer to Mxstermxndsbeats@gmail.com. Work begins upon confirmed receipt of a compliant, complete file package and confirmed tuning preference. The 3 to 5 business day turnaround clock starts at that point.

4. DELIVERABLES & TURNAROUND

- First mix and master draft delivered within 3 to 5 business days of receiving a compliant, complete file package.
- Delivery format: Stereo WAV mix file and a separate mastered WAV, both full resolution.
- Five (5) rounds of revisions included. All revision requests must be submitted in writing via email reply after each delivery.
- Additional revisions beyond five rounds may be subject to a fee, communicated to the Client in advance.

5. PAYMENT

Full payment is due at the time of purchase, prior to file submission. The agreed service fee is confirmed at checkout and is binding for the scope outlined in this agreement.

6. REFUND POLICY

- Full refund available if the Client cancels before submitting files and before any work has begun.
- Once the first draft is delivered, payment is non-refundable, as it covers engineering time, manual vocal tuning, processing, and revisions.
- Refund requests must be submitted in writing to Mxstermxndsbeats@gmail.com.

7. VOCAL TUNING ACKNOWLEDGEMENT

The Client acknowledges that manual pitch correction will be applied to all submitted vocal performances. The Client agrees to provide the following at the time of submission:

- The musical key of the track.
- Preferred tuning style: Natural/Transparent or Stylized/Hard-Tune.
- Any specific notes on vocal moments that should not be corrected or that require special treatment.

If tuning direction is not provided, the Provider will apply professional judgment. Any tuning style changes requested after the first delivery will be addressed within the remaining revision rounds.

8. INTELLECTUAL PROPERTY

The Client retains full ownership of the original recording and all underlying compositions. The Provider acquires no ownership or licensing rights through this service.

The Provider may reference the completed work as a portfolio or reel example unless the Client requests otherwise in writing prior to delivery.

9. CLIENT RESPONSIBILITIES

The Client warrants that all submitted audio is legally owned or licensed and does not infringe upon third-party intellectual property rights. The Provider accepts no liability for copyright disputes arising from submitted material.

The Client is responsible for submitting a complete, compliant file package and providing all required session information. Incomplete submissions may delay the turnaround until all required information is received.

10. LIMITATION OF LIABILITY

The Provider's liability is limited to the service fee paid. The Provider is not liable for lost revenue, missed release dates, or any indirect damages arising from this service or its delivery timeline.

11. GOVERNING LAW

This Agreement shall be governed by applicable law. Disputes shall first be addressed through good-faith negotiation before either party pursues formal legal remedy.
