2. SERVICE DESCRIPTION

The Provider agrees to deliver a complete Radio-Ready Single package for one (1) track submitted by the Client. This service combines a full professional mix and a high-fidelity master into a single, cohesive engineering session and includes:

- Full professional mix — vocal balancing, panning, compression, EQ, and beat integration.
- High-fidelity master — industry-standard loudness, clarity, and punch optimized for all streaming platforms.
- Streaming optimization for Spotify, Apple Music, and club play formats.
- Three (3) rounds of revisions covering both the mix and master stages, included at no additional charge.

3. FILE SUBMISSION REQUIREMENTS

The Client agrees to deliver files meeting the following standards:

- Format: 24-bit WAV files minimum. No MP3 submissions accepted.
- Effects: All stems exported dry — no reverb, delay, pitch correction, or effects applied prior to submission.
- Labelling: Each stem clearly labelled (e.g., Lead Vox, Ad-Libs, Hook, 808, Kick, Snare, Melody).
- Sync: All stems exported at the same length and sample rate as the full track.
- Reference Track (Recommended): One commercially released song representing the target sonic direction.

Files must be delivered via Google Drive or WeTransfer to Mxstermxndsbeats@gmail.com. The turnaround clock begins upon confirmed receipt of a compliant, complete file package.

4. DELIVERABLES & TURNAROUND

- First mix and master draft delivered within 3 to 5 business days of receiving compliant files.
 - Delivery format: Stereo WAV mix file and separate mastered WAV, both full resolution.
 - Three (3) rounds of revisions included. Revision requests must be submitted in writing via email reply.
 - Additional revisions beyond three rounds may be subject to a fee, communicated to the Client in advance.
-

5. PAYMENT & INSTALLMENT TERMS

Full payment is due at the time of purchase unless an installment plan has been agreed upon in advance. Installment terms are as follows:

- First mix draft will be delivered once the second installment payment is received and confirmed.
- Full delivery of the completed mix and master will be made upon receipt of the final installment payment.
- If an installment payment is not received within 14 days of its due date, the Provider reserves the right to pause work until payment is secured.

The agreed service fee is binding for the scope outlined in this agreement regardless of payment schedule.

6. REFUND POLICY

- Full refund available if the Client cancels before submitting files and before any work has begun.
 - Once the first mix and master draft is delivered, payment is non-refundable, as it covers engineering time, processing, and revisions.
 - For installment clients: payments already made at the time of cancellation after delivery has begun are non-refundable.
 - Refund requests must be submitted in writing to Mxstermxndsbeats@gmail.com.
-

7. INTELLECTUAL PROPERTY

The Client retains full ownership of the original recording and all underlying compositions. The Provider acquires no ownership or licensing rights to the music through this mixing and mastering service.

The Provider may reference the completed work as a portfolio or reel example unless the Client requests otherwise in writing prior to delivery.

8. CLIENT RESPONSIBILITIES

The Client warrants that all submitted audio is legally owned or licensed and does not infringe upon third-party intellectual property rights. The Provider accepts no liability for copyright disputes arising from submitted material.

The Client is responsible for submitting a complete, compliant file package. Non-compliant or incomplete submissions may result in delayed turnaround or a request to resubmit before work begins.

9. LIMITATION OF LIABILITY

The Provider's liability is limited to the service fee paid. The Provider is not liable for lost revenue, missed release dates, or any indirect damages arising from this service or its delivery timeline.

10. GOVERNING LAW

This Agreement shall be governed by applicable law. Disputes shall first be addressed through good-faith negotiation before either party pursues formal legal remedy.
