- The Client retains full ownership of all website content and domain upon completion. Hosting and domain registration are the Client's responsibility unless separately agreed.

11. BRAND CONSULTATION TERMS

At \$7,500, the brand consultation is not a single call — it is an ongoing strategic relationship built into the first month of the engagement:

- Initial Strategy Session: one (1) deep-dive session via video or phone call, scheduled within 7 days of engagement start. Minimum duration: 90 minutes. Covers artist identity,

visual language, content strategy, platform approach, website direction, monthly output planning, and the full 12-month roadmap.

12. PAYMENT & INSTALLMENT TERMS

Total investment is \$7,500 USD. Full payment is due at purchase unless an installment plan is agreed in advance. For installment clients:

- Lease access and the first monthly production cycle activate upon confirmed first payment.
- Monthly production credits, video slots, and edit slots are released per the agreed installment schedule.
- Website and link-in-bio builds begin after the brand consultation and are tied to the payment schedule.
- If an installment is not received within 14 days of its due date, the Provider may pause all active work until payment is secured.
- Full benefits, including exclusive custom beat delivery, unlock upon receipt of final payment.
- Payments for services already activated or delivered are non-refundable upon cancellation.

13. REFUND, PAUSE & SCOPE ADJUSTMENT POLICY

Refund Policy

Given the scope of this engagement and the immediate activation of multiple service pillars upon confirmed payment, the following applies:

- A full refund is available if the Client submits a written cancellation request within 48 hours of purchase and before the onboarding form is completed, lease access is activated, or any creative work has commenced.
- Once any of the following have occurred — onboarding package delivered, lease access activated, consultation scheduled, concierge introduced, or any creative or editorial work begun — the investment is non-refundable.

- For installment clients, payments made for service cycles or deliverables already activated or delivered are non-refundable at the time of cancellation. Remaining unpaid installments for service cycles not yet begun may be voided upon written cancellation request.
 - All cancellation requests must be submitted in writing to Mxstermxndsbeats@gmail.com. Verbal or social media cancellation requests are not valid.
-

Engagement Pause Clause

The Provider understands that life happens. In the event the Client needs to temporarily step away from the engagement, the following pause terms apply:

- The Client may request one (1) engagement pause of up to 60 consecutive days during the 12-month term.
 - A pause request must be submitted in writing to Mxstermxndsbeats@gmail.com with at least 7 days' notice before the intended pause date.
 - During a pause, all monthly credit cycles (mix sessions, video edits, social edits, ad spend) are suspended. No credits are generated and no credits are forfeited during the pause period.
 - The engagement end date is extended by the exact number of days the pause is active.
 - The pause clause may only be used once per engagement term. A second pause request is at the sole discretion of the Provider.
 - The pause clause does not apply to payments. All installment payments continue on their agreed schedule regardless of an active pause unless a separate payment deferral is agreed in writing.
-

Scope Adjustment Clause

If a service element within the engagement is no longer relevant to the Client's goals, the Client may request a scope adjustment subject to the following:

- The Client submits a written scope adjustment request to Mxstermxndsbeats@gmail.com specifying which service element they wish to reallocate and what they would like to replace it with.
- The Provider reviews the request and responds in writing within 5 business days with approval, a counter-proposal, or a decline.
- Approved scope adjustments are documented as a signed addendum to this agreement. No scope change is valid without written confirmation from both parties.
- Scope adjustments may not reduce the total value of the engagement or be used to substitute higher-value deliverables with lower-value ones at no additional cost.
- Scope adjustments do not affect the payment schedule or total investment amount.

14. INTELLECTUAL PROPERTY

The Client retains full ownership of all original recordings and compositions. Custom beats become exclusive Client property upon full payment. All music video, edit, and website content produced during this engagement becomes the property of the Client upon delivery and full payment.

The Provider retains the right to reference completed work as a portfolio example unless the Client requests otherwise in writing prior to delivery.

15. CONFIDENTIALITY

The Provider agrees to keep all Client creative materials, unreleased recordings, business strategies, brand direction, and personal information shared during this engagement strictly confidential. This information will not be disclosed to any third party without the Client's written consent.

16. LIMITATION OF LIABILITY

The Provider's liability is limited to the total engagement fee paid. The Provider is not liable for lost revenue, missed release dates, platform algorithm changes, website traffic outcomes, or any indirect damages arising from any element of this engagement or its delivery timeline.

17. GOVERNING LAW

This Agreement shall be governed by applicable law. Disputes shall first be addressed through good-faith negotiation before either party pursues formal legal remedy.
